Fastest way to 10X your life: add value to those ahead of you. In the digital age things happen BIGGER & FASTER. If you want to make more money, meet influential people, or create your own leverage...there is no better time in history to be alive.

Some tactics the smartest people are using:

1. Connection:

- a. Many millions have been made connecting parties that can provide value to each other.
- b. The middle is a great place to be.
- c. They won't forget the initial spark & will bring you along for the ride.

2. Leverage

- a. Help them monetize their existing assets in new ways.
- b. Big audience? Present ideas for a product.
- c. Successful company? Send targets for acquisition.
- d. Help winners "do more" and they'll make sure you participate.

3. Skills

- a. Find holes where your skills can be used - and fill the void.
- b. Demonstrate competence & quality and they'll be happy to open their network.
