

Elon Musk's 10 rules for success

- 1. Take risks.**
 - a. In life, risks are required for growth.
 - b. Stagnation causes relaxation and ruins your potential.
 - c. Seek challenges, embrace change and focus on growth.
- 2. Never give up.**
 - a. Most people never live their life because they give up before it ever starts.
 - b. The road to freedom is paved with pain, scars and difficult situations.
 - c. Embrace adversity and battle through it daily.
- 3. Love what you do.**
 - a. Too many people think that "this is as good as it gets."
 - b. If you are not happy, fix it.
 - c. If you want change, create it.
 - d. Nothing is going to be given to you; you have to go out and get it!
 - e. Having a passion and a purpose makes you unstoppable.
- 4. Do something important.**
 - a. For a life to have meaning you have to seek meaningful situations.
 - b. Do not waste your life living someone else's dream.
- 5. Focus on the right stuff.**
 - a. Knowing what to devote your time and energy to is the key to life.
 - b. There are way too many distractions and negative people in the world; knowing how to avoid them is key.
 - c. Block out the noise, put blinders on and focus on what's most important!
- 6. Find problem solvers.**
 - a. Have a problem? Fix it.
 - b. Can't fix it? Learn how or find someone who can.
 - c. Life is simple, quit complicating it.
- 7. Attract great people.**
 - a. Life is so much better when spent around wonderful people.
 - b. Seek out those who challenge and inspire you.
 - c. Help them in every way and they will return the favor tenfold.
- 8. Know who to listen to.**
 - a. Knowing who to trust in life is a life hack.
 - b. Finding people to trust is the hard part.
 - c. Set a standard and seek out people to help you through life.

9. Have a good product.

- a. Good products sell themselves.
- b. Good products can be created by anyone with a little extra time, energy and effort.
- c. Be patient with your products and master the details.

10. Work super hard.

- a. Hard work beats talent every single day of the week.
- b. The most successful people in the history of this planet were not better than anyone else, they were simply extremely hard workers.
