

Legacy Builder @LegacyBuilder\_

[Note: The author made this about children, but this applies to all of us.--RB]

1. Make your own choices.
2. Take care of your body.
3. You aren't the victim.
4. Take responsibility for your actions.
5. The world owes you nothing, everything is earned.
6. Hard work will always beat talent.
7. Chase your passions.
8. Who you spend time with matters.
9. Don't quit when life gets tough.
10. Enjoy the beauty of nature.
11. Manage money the right way.
12. Don't burn any bridges.
13. Integrity is everything.
14. Successful people solve problems.
15. College doesn't guarantee success.
16. There is power in having options.
17. Teach your children what a healthy marriage looks like.
18. Teach your children how to respond to failure.
19. Teach your children how to raise a healthy family.
20. Always bet on yourself.
21. Always stand for what you believe in.
22. Possessions will never make you happy.
23. Actions speak louder than words.
